

Hitachi Contributed to “Vertical Transportation: A Primer” of CTBUH

Tokyo, May 13, 2020 --- Hitachi, Ltd. (TSE: 6501 / “Hitachi”) today announced that Hitachi has contributed to “Vertical Transportation: A Primer” which Council on Tall Buildings and Urban Habitat (“CTBUH”) issued on May 12. This digital primer provides an update on the latest technology and suggests approaches to implementation, arming the imaginative minds behind the design of tall buildings with a framework for understanding vertical transportation; one that will allow them to be more creative and effective as buildings become taller.

About “Vertical Transportation: A Primer” (CTBUH’s website)
